

# Fishing Tips

If you plan on fishing during your canoe trip, remember that a current fishing license is required to fish in Indiana *and* Michigan. Your canoe trip will take you through both states if your end point is the Niles Dam public landing.

### St. Patrick's County Park

St. Patrick's County Park entrance is located on Laurel Rd., north of Auten Rd., in South Bend. The park is bordered by the St. Joseph River to the west, and the Michigan state line to the north.
