Finding Your Way

What? Rely on a GPS? While technology is great, nothing beats good, old-fashioned knowledge and brain work. Your Wolf Cubs will be able to read a trail map, understand a compass, and use it to complete a scavenger hunt. 1.5 hours

Bear Adventures

Fur, Feathers and Ferns

Guided by a Park Naturalist, your Bears will use their sense and their senses as they observe, examine and discover! As they find wildlife signs, explore plant life, learn about endangered species and the soil cycle, they will begin to see the important role that humans can play in caring for our natural world. Each Scout will create and bring home a mini compost bin! 2 hours

Come to your County Parks to put the OUT back in Scouting.

**Outdoor fun,
Cub-Scout Style.**

Webelos Adventures

Cast Iron Chef
